

The Onondaga County Department of Water Environment Protection is currently accepting applications for the position of:

Sewer Maintenance Worker II

Location: Water Environment Protection – Henry Clay

Salary: \$47,666 - \$52,704

Hours of work: 40 hours per week (7 am – 3:30 pm)

The work involves responsibility for leading and participating in the cleaning and maintenance of sewer mains and lines. Under general supervision of a higher-level employee responsible for sewer maintenance, an employee in this class leads and participates in a variety of specialized manual tasks related to the maintenance of sewer mains and lines. Work involves seeing that schedules are met, and that adequate supplies and equipment are on hand for the work. Assignments are received from a higher-level employee who reviews the work through inspection. Direct supervision is exercised over a small number of Sewer Maintenance Workers I, Motor Equipment Operators and Laborers.

MINIMUM QUALIFICATIONS

One (1) year of full time work experience in the maintenance and cleaning of sewer mains and lines or one (1) year in the non-competitive class status as a Sewer Maintenance Worker I or six (6) months as a Closed Circuit Television Attendant.

SPECIAL NECESSARY REQUIREMENT

When required to operate motor vehicles, employees must possess a valid non-CDL or CDL with appropriate endorsements as required by the New York State Department of Motor Vehicles for the class of vehicle(s) being operated.

Name and Address where Applications/Resumes should be directed to by February 19, 2023:

Recruitment
Water Environment Protection
650 Hiawatha Blvd.
Syracuse, NY 13204
Email: weprecruiting@ongov.net

This is a non-competitive position that does not require a civil service exam.
