**SUBJECT OF EXAMINATION:** **There is no written multiple choice test.** This is an online examination questionnaire that asks questions about your education, training and work experience. This online questionnaire IS YOUR EXAMINATION, and the examination period closes at midnight on June 30, 2023.

**First Step** - Complete an examination application and return it to the Onondaga County Department of Personnel at the address noted above on or before the last filing date of **May 2, 2023**.

**Second Step** - Approved candidates will be sent a notice containing directions to a website address needed to complete a Training and Experience Questionnaire.

**Third Step** – Complete the online Training and Experience Questionnaire between **June 1, 2023, and June 30, 2023**. The answers you provide in the questionnaire will be used to rate and score your test against the general requirements of the position(s). Your score will be based on training and experience gained before the application filing deadline of **May 2, 2023**. The questionnaire will close on midnight, **June 30, 2023**.

**Note:** If you are participating in the June 24, 2023, written multiple-choice test for Correction Officer with another civil service agency, you can also participate in this examination.

**Information for applicants who are taking multiple examinations for Correction Officer, also known as Cross-filers:**

- Individuals can participate in multiple examinations to maximize their opportunity for appointment.
- Individuals can cross-file between two agencies that are participating in the T&E format examination or between two agencies that are participating in the multiple-choice format examination.
- Individuals can also apply and take multiple-choice examinations being held on June 24, 2023, and training and experience format examinations for Correction Officer being offered online; however, due to the different testing formats, individuals must take both examinations and cannot apply the score of one examination format to the other.

**Taking the online T&E examination and personal NY.GOV ID Accounts:**

Approved applicants will need to access the T&E on the Department of Civil Service website. Each applicant will need a personal NY.GOV ID to participate in the examination. Applicants may already have a personal NY.GOV ID account if they have used online services for other agencies, such as the Department of Motor Vehicles. They should use the same personal NY.GOV ID for civil service examination purposes. Applicants should **not** create a new personal NY.GOV ID. More information about personal NY.GOV ID's is available at: <https://www.cs.ny.gov/home/myaccount/>. There is a helpful video for applicants at this link. Applicants that require technical assistance with their personal NY.GOV ID can contact New York State Office of Information Technology (ITS) Service Desk directly at 844-891-1786 or at [fixit@its.ny.gov](mailto:fixit@its.ny.gov).

**Helpful Tips for Completing the Questionnaire**

We recommend that you review the questionnaire in its entirety and collect all the information you will need to complete the questionnaire (e.g., documents related to your education, licenses, certifications, etc.). Then, set aside a block of time that is free of interruptions while you work on the questionnaire. Answer all questions that apply to your education, certification

and work experience as completely and accurately as possible. Save the information that you enter on each page by clicking on the "Save" button, which is located at the end of each section. Review and print all saved information before you submit your completed questionnaire.

### **Shared Questionnaires**

Multiple examination(s) may use the same questionnaire. A list of the examination(s) used for each are noted under the questionnaires. If you have applied for multiple examinations that utilize the same questionnaire, your submission will apply to all examinations you have applied to. If you subsequently wish to apply for additional examination(s) that use this questionnaire, you will be required to submit a separate questionnaire. This will not change your previous submission for the previous examinations.

### **Shared Questions**

If you have filled out any questionnaires in the past, you may see saved responses pre-populated where appropriate. This feature is provided as a convenience to candidates. It is your responsibility to make sure all your responses are accurate before you submit each questionnaire, including any pre-populated responses. You can change, delete or modify the information on the questionnaire before you submit it for a new examination; however, this will not change your previous submission. Each examination is scored based on your submission for that examination number.

### **Completed Questionnaires**

Before you submit your questionnaire(s), you will be prompted to review your entries. We recommend you print a copy of your responses to keep for your own records because this will enable you to check the information before you make your final submission. When you submit your questionnaire(s), you will receive a confirmation stating that your questionnaire has been successfully submitted.
