Nurse Practitioner (Primary Care)

DESCRIPTION

The Onondaga County Health Department has a full time opening for a Nurse Practitioner (Primary Care) to provide family planning and STI screening and evaluation services in the Sexual Wellness Center. The work involves responsibility for providing health care which consists of promotion and maintenance of health; prevention of illness and disability; basic care during acute and chronic phases of illness; guidance and counseling of individuals and families; and referral to other health care providers when appropriate. The Nurse Practitioner works in collaboration with a licensed physician or other nurse practitioners to assess the physical and psychological status of patients by means of interview, health history, physical examinations and diagnostic tests. Also evaluates test findings, makes diagnoses, and initiates appropriate action to facilitate the implementation of preventive and/or therapeutic plans consistent with the continuing health care needs of the patients. Supervision may be exercised over subordinate medical personnel. Starting salary \$83,528-\$92,823 depending on experience.

MINIMUM QUALIFICATIONS
