Name and Address where Applications/Resumes should be directed:
Laura Ingalls BSN, RN
Director of Nursing
421 Montgomery Street
Suite 12 East
Syracuse, NY 13202
lauraingalls@ongov.net

Are you inspired to improve your community and support individuals by promoting healthy pregnancies and healthy children? Are you disillusioned by the pace of post pandemic institutionalized (for-profit) nursing? Consider a career which is unique, fulfilling, and empowering; a role in which your daily activities are influenced by client need instead of strict time and/or financial limitation; and where the independent appointment scheduling allows nurses to regain a healthy work-life balance! Positions are currently available for two full time registered nurses within the Healthy Families Nursing program of the Onondaga County Health Department (OCHD). These positions promote maternal and infant-child education within receptive homes and community sites located in Onondaga County; the necessity of a vehicle and current NYS driver's license is compensated by generous mileage reimbursements and free centrally located and monitored parking. Working days are Monday through Friday and include all local governmental holidays and closings, county health and dental benefits, and vested pension compensation.

MINIMUM QUALIFICATIONS:
Graduation from a regionally accredited college or university with a Bachelor's degree in Nursing.

SPECIAL NECESSARY REQUIREMENT: Possession of a license and current registration to practice as a Registered Professional Nurse in New York State.

Applications accepted continuously.

Candidate will initially be provisional and must take the corresponding Civil Service exam, scheduled at a later date, and place high enough on the list to qualify for permanent appointment.

Onondaga County is an Affirmative Action/Equal Opportunity Employer
