DUTIES:

This is a senior level professional position in a probation department responsible for the control, supervision and care of adults and juveniles subject to probation investigation, supervision or intake services which require them to meet certain standards of conduct. The incumbent performs all the duties and exercises all the responsibilities of a Probation Officer 1; however, he/she is responsible for more complex assignments than those assigned a Probation Officer 1 and exercises specialized skills regarding evaluating the conduct of probationers, analyzing data, making recommendations regarding court decisions and counseling and coaching probationers. He/she normally is assigned as the lead worker of a unit or a team leader of professional and para-professional probation personnel when a team approach is used. He/she may also be assigned special programs and/or projects. The work is performed under the general supervision of a Probation Supervisor 1 or Probation Supervisor 2/Principal Probation Officer with limited leeway allowed for the use of independent judgment in carrying out the details of the work. Supervision is not a characteristic of this position. The position varies from that of a Probation Officer 1 by the complexity of the cases assigned, possible responsibility for special projects and responsibility as a lead worker position. A Probation Officer 2/Senior Probation Officer is a Peace Officer pursuant to Criminal Procedure Law Section 2.10 and may be authorized to carry a firearm in the performance of his/her duties. The incumbent will perform all related duties as required.

MINIMUM QUALIFICATIONS:

On the date of examination, candidates must meet the following requirements:

Promotion:

One (1) year of permanent competitive class service as a Probation Officer 1.

SPECIAL NECESSARY REQUIREMENT:

Where required, possession of a current driver's license or the ability to otherwise meet the transportation requirements of the position.

Note: Individuals whose duties and responsibilities include the use of a firearm must also complete training pursuant to Criminal Procedure Law Section 2.30(3).

Note: The class specifications including the minimum qualifications for positions in Probation Departments are established by rule and regulations of the Division of Criminal Justice Services. These class specifications are found in Title 9 NYCRR Part 347, Appendix H-10, Standard Specifications for Professional Probation Positions.

Note: This position is allocated to the competitive class pursuant to Executive Law Section 257(1).

***Note:** Per Civil Service Law Section 52.10(a), which became effective September 4, 2024, time served provisionally immediately preceding permanent appointment shall count towards meeting the time in title and the employee shall be eligible to take the promotion examination.

SUBJECT OF EXAMINATION: There will be a written test, which you must pass in order to be considered for appointment. The written test will be designed to test for knowledge, skills and/or abilities in the following areas:

Advising and interacting with others

These questions test for the ability to interact with other people in order to gather and present information and to provide assistance and advice in a courteous and professional manner.

Preparing written material

These questions test for the ability to write the kinds of reports and correspondence required in criminal justice settings such as probation and parole. Some questions test for the ability to present information clearly and accurately. Others test for the ability to organize paragraphs logically and comprehensibly.

Principles and practices of offender counseling and supervision

These questions test for the knowledge and application of principles and practices of offender counseling and supervision in a law enforcement setting. Questions present situations typically encountered while establishing and maintaining working relationships with offenders, such as obtaining information from offenders, exploring offenders' social, psychological, or legal problems, and supervising offender rehabilitation. Candidates will be required to choose the best analysis of, solution to, or approach for handling the problem described. Specific knowledge of laws, rules, regulations, or procedures regarding offender counseling and supervision is not required to answer these questions.

Interviewing

These questions test for knowledge of the principles and practices employed in obtaining information from individuals through structured conversations. These questions require you to apply the principles, practices, and techniques of effective interviewing to hypothetical interviewing situations. Included are questions that present a problem arising from an interviewing situation, and you must choose the most appropriate course of action to take.

PRE-EMPLOYMENT DRUG TESTING / BACKGROUND INVESTIGATION: **May be required** for appointment or promotion.

SENIORITY RATING: Seniority points will be added on promotional exam scores to all passing candidates. Seniority rating is based on the length of continuous classified service in the jurisdiction in which you are employed as follows:
Less than 1 year = 0 points

1 year, up to 6 years = 1 point

Over 6 years, up to 11 years = 2 points

Over 11 years, up to 16 years = 3 points

Over 16 years, up to 21 years = 4 points

Over 21 years = 5 points

Seniority points will be calculated at the time of examination.

The promotional examination will be BAND SCORED. When a promotion examination is band scored, seniority credits are added to the raw score and not to the final score. Using this formula, the applicable seniority credits are added to the number of questions answered correctly (raw score) of passing candidates. This will result in a "total raw score," from which the final band score is determined.
