

The Onondaga County Office of Emergency Management is currently accepting applications for the position of:

Emergency Management Coordinator

Location: 420 Electronics Pkwy Liverpool NY 13088

Salary: \$78,580-\$86,817

Hours of work: 35 hours per week

The work involves responsibility for managing, planning, training and exercise projects for the Onondaga County Department of Emergency Management. Work includes coordinating with stakeholders for development of emergency response and preparedness plans and development of training and exercise programs as well as analyzing data to allow for informed planning and decision-making. Employees in this class also exercise independent judgment in personally performing analyses of more complex emergency management problems and possess critical thinking abilities to devise solutions. The incumbent will be responsible for supporting the department's emergency management initiatives and managing projects as they relate to emergency management, including the management and organization of the county's emergency operations center. Work is performed under the general supervision of the Commissioner of Emergency Management. Employees in this class may supervise a small number of professional, paraprofessional and/or support clerical employees engaged in emergency management planning, training, and exercise work. Does related work as required.
